cw / high school Miya twins / bad touching

Osamu who offers to help Atsumu with his stretches every time just so he can shamelessly rub himself all over Atsumu as he forces his legs open for “maximum stretch.”

Atsumu is all red on the face, there’s no way the others don’t notice that this isn’t just some normal stretching. There’s no fucking way they can’t see Osamu’s hard on as he pushes closer to Atsumu’s hip.

But if anyone can tell, they don’t say. Or maybe they just pretend they can’t hear Atsumu groaning, or that they can’t see the wet patch in the front of Osamu’s shorts.
