Every Hindu must have following stuff at their Home (Thread)

1. A Big Sharp Knife - Its summer n coconut water is best, why to waste money just to cut coconut. U can buy coconut at wholesale rate at Rs 10-Rs 15 then why to waste Rs 30 for just cutting of coconut
2. A 0.17 caliber air gun - U wanted to learn shooting but u cud not learn its ok. U can buy it and do shooting. No license required
3. 20 Kg Bleaching Powder- 10 gm required for 1 lit water, can be used for sterilization of drinking water. Be careful its very dangerous for skin
4. 10 Lt Acid - to clean the toilets
5. 50 empty glass bottle of cold drinks - Guest can come any time, so its better to serve them glass bottles.
6. A 3 feet sword - Its used at the time of marriage, also on festivals like dussera
7. two to four Liter petrol/diesel - Prices of petrol going up, we don't know when ur vehicle tank get empty so safer side. Kerosene can also be used for stove
8. Around 50 - 100 bricks on stone, can be useful when u want to construct extra room
9. Stock of chilly powder - So that can be used all year for cooking
10. eight to ten sticks - To use for flags on festivals.

Any more item u want to suggest ?

Happy #ramnavmi2022 to all.
