If you want to do a BSc/Masters/PhD in Canada, and you really need a scholarship, consider applying to these 15 schools. (We call them U15)

Below, you will see links to ALL the BSc/Masters/PhD programs they have. You mostly don't need IELTS

Check requirements and apply.

Thread

There are entrance scholarships in most of the schools & you don't need a separate application for this

- You are considered based on your admission application
- The scholarship condition/value may depend on your course
- Check the finance section of their websites for more info

The U15 are Canada's heavy-pocket universities. They

- Receive 79% of all allocated funding
- Undertake 80% of all Canadian research worth \$8.5 billion yearly
- Contribute more than \$36 billion to the Canadian economy yearly
- Produce more than 75% of all Doctorates awarded.

Research Conducted

\$8.5 B

While these are not the only universities in Canada, they are schools that will increase your chances of getting a scholarship

Other schools you can check are Memorial Uni, Acadia Uni, Simon Fraser Uni, etc

Check the program requirements, prepare a strong application & apply!

If you are looking for information on how to prepare a strong application, I made this study in Canada post a few months ago, you will find useful information there too.

And it will help you to understand the application process.

Read it before you apply

STUDY IN CANADA

How to find schools & apply to study in Canada.

Thinking of studying in Canada and about to begin your admission application? This is for you. Yo...

<https://olufemiloye.ca/how-to-find-schools-apply-to-study-in-canada/>

The graphic features a red and white Canadian flag on the left, a red banner with the text "STUDY IN CANADA", and a stylized city skyline with various buildings and a bridge.

And If you need other resources to help you with the requirements, application process, and documents preparation, you will find useful information in the link below.

Rooting for you!
