#miyacest The twins accidentally give their whole school an incest kink when they finally out their relationship. They're holding hands in the halls, stealing kisses between classes, and sitting on one another's laps during lunch. It's cute.

But in between those sweet moments

are the times that have students crossing their legs and cursing their damp panties. They can feel the tension between the twins during class, when they're sitting next to one another, playing footsies under the desks.

And when Atsumu will not-so-subtly pull Osamu into

a supply closet, they all act like they aren't trying to listen in on the disgusting sounds of the Miya brothers fucking so unbashedly
