osamu who loves atsumu so much but doesn't say it, will do everything in his power to make him happy.

making his favorite foods, fucking him until he can't feel his legs anymore.

he's so obsessed with atsumu and everything he does. because everything atsumu does is so cute. he's so down bad for him. he doesn't think it's unhealthy at all.

osamu does everything he can to make atsumu happy, he spoils him rotten. whenever atsumu wants to fuck osamu gives it to him in every way he can.

fucking him, kissing him, licking him.

osamu can't get enough.

atsumu is his daily serotonin.
