atsumu: kawajslsjslls

kiyoomi heard his phone vibrate on his desk and saw that he got a text from atsumu. he didn't know why atsumu would be texting him but he wasn't opposed to it.

he looked at the chat and tried to read his message.

kiyoomi: ?

he didn't know why atsumu would be up at such an ungodly hour of the night.

atsumu: what do ya mean "?" kawa this is serious!

'kawa' as in turo oikawa? the setter? why would atsumu be texting him at this time of night.

atsumu: we exchanged numbers at the training camp and i told him that he could text me anytime.

kiyoomi was confused at this point, but read the texts atsumu was sending and the situation sounded familiar.

atsumu: god he was so tall, and he played so well, i wish he would have talked more

kiyoomi raised an eyebrow at his phone, was...was atsumu talking about him?

atsumu: i didn't want to go near him because he seemed like he didn't want to talk to anyone.

he wasn't wrong but he could have at least asked.

atsumu: but oh my god how i wanted him ta bend me over, ya don't understand kawa.

kiyoomi decided to text back, he knew if he didn't that atsumu would keep talking to himself.

kiyoomi: Miya, it's Sakusa Kiyoomi.
