nsfw-ish

Suna who's trying to stop smoking, but his mouth needs something to do.

So he sucks on Osamu's boobs. Every moment he thinks that ne needs a cigarette he'll suck and lick on Osamu's nipples instead

Osamu with very red and puffy nipples, now made too sensitive he could barely put on a shirt without flinching and moaning.

Suna sees this as an absolute win. Osamu crying from cumming too much from his nipples? Its okay. That neck is free real estate :))

Safe to say that Suna stopped smoking altogether.
