Thinking about the MSBY boys wondering where the hell Atsumu gets all those hickeys and bruises from when he never takes anyone home.

They talk about it once while they're having their post-match dinner at Onigiri Miya. Bokuto and Hinata are marvelling at the newest addition on Atsumu's neck, which has started to flush from being the center of attention.

Everyone's too immersed in the conversation to notice the smug look on Osamu's face as he molds the rice balls with his fingers, the same fingers that dug into his brother's hips as they fucked in their shared apartment.
