osamu is that kind of guy who suna jokes with about the size of his cock.

like “bet you have the tinniest cock ever, osamu.” and burts out laughing.

osamu just smirks, nods and says “sure,” and keeps doing what he’s doing.

suna stops laughing and looks at him+

dead in the eye and osamu turns to him.

“what?”

“show me your cock,”

“rin—what?”
