#sakuatsu studying science together

□

sakusa: just because you aren't a girl, doesn't give you the excuse to skip studying the female reproductive system

atsumu: but omi- there's too much to memorize! why do I hafta know how their periods work anyways?!

sakusa: think about it, miya. it might actually help you be more considerate towards your future girlfriend

atsumu: then might as well not date one!

sakusa: ...

sakusa: miya. that's not how it wo-

atsumu: ya heard me, omi-kun! i'm now a free gay man

sakusa: god, pls end me
