#miyacest Young Atsu's been so well trained by his big brother Samu that he can cum just from his plush little thighs being fucked. He's squirming and whimpering and his pathetic excuse of cock hasn't even been touched yet. Just imagine Osamu cumming all over his little pet's

thighs, squeezing—what'll probably be dark marks— into them as his cock twitches one last time, and under him Atsu is /writhing/.

Osamu almost laughs when he sees Atsu's body tending with another fry orgasm just from getting to watch his big brother use his body for pleasure
