sakuatsuosasuna + poly relationship + top sakuosa

"is that my jersey?" in which, atsumu and rin decided that they would tease their boyfriend's for the day by wearing their jerseys with nothing underneath.

atsumu and rin giggled, knowing this won't last long until one of them breaks and decides to fuck them.

"why are you in my old jersey atsu?"

atsumu looked up at kiyoomi, "because my other shirts were dirty~" kiyoomi didn't buy it.

osamu kept his deadpan facial expression when staring at rin who was standing on the other side of the

dining table. tugging on the shirt to keep it from riding up.

(im running out of ideas, im so sorry)

kiyoomi and osamu ended up fucking atsumu and suna because they couldn't take not being able to touch them.
