miyacest + sakusa + double penetration

"i want to watch osamu fuck you again"

"well ya can do more than that omi-kun"

the twins and kiyoomi were at there last day of training camp. with atsumu being sandwiched by osamu and kiyoomi, fucking him until he can't feel his legs anymore.

osamu fucking atsumu from underneath him and kiyoomi being on top fucking atsumu's ass.

"ah ngh~" kiyoomi had both of his hands gripping atsumu's hips while pounding his ass and osamu had his hands on atsumu's thighs, pressing his fingers against them as he thrusted into him.

"ah hah f-fuck pl-please" atsumu whined.

kiyoomi pulled on atsumu's hair and made him arch his back.

~

"ngh hah c-can i-" atsumu couldn't take it anymore. his hole was filled up enough. he needed to cum.

kiyoomi was almost finished, you could hear the tiredness in his voice. but it wasn't enough for osamu.

"cum tsumu"

atsumu came almost immediately. panting and letting go of the little strength he had left and collapsing on osamu. with kiyoomiaying down next to them, panting.

"didja have fun sakusa-san?" kiyoomi didn't have the strength to even look at which twin said that.

all he did was hum and drift to sleep.

"i'll take that as a yes"
