miyacest + oral fixation

osamu had always loved it when atsumu sucked him off. looking down at him gagging on his dick, then moving to his balls and sucking on them for a little.

it always made him cum fast. atsumu loved it too, he loved putting all of osamu in his mouth.

~

so when osamu was asleep, atsumu would go to osamu's bunk and and make his way under the covers, trying not to wake osamu.

he slid osamu's sweatpants down just enough so his dick was out and plopped it right into his mouth.

it was like he couldn't sleep without it.
