osasuna + public sex

osamu and rin loved going out for walks late at night, just the two of them. they loved walking and talking, getting late night snacks going nowhere.

they had stumbled upon a small playground, they decided to just eat their snack there.

they sat down at a picnic table across from each other. just talking while rin watched osamu eat.

"you know...i wouldn't mind doing it here"  
osamu looks up at rin while still chewing.

"really?"

rin shrugged, "it never hurt to try"

osamu thought about it for a second.

"if you want to, i don't mind"

rin got up from he seat and sat on top of osamu, wrapping his arms around his neck and kissing him. osamu placed his hands on rin's hips and started grinding against

him.

rin pulled away, "fuck me osamu"

osamu got up, placing rin on the table and pulling his pants down with rin doing the same.

osamu then aligned himself up with rin and slid into him slowly. "ahh~"  
osamu held onto rin's hips and picked up the pace.

"f-fuck ah~" osamu leaned in to kiss rin.

"ya gotta be quiet rin, ya don't want people walking by and hearin' us"

rin bit his lip, nodding at osamu's request.

it was so bard keeping his mouth shut, from all of the pleasure he was feeling.

"hah s-samu i cant-" osamu gripped onto rin's hips, holding him in place and went faster. rin cocked his head back, moaning until he was about to cum.

~

rin came all over his stomach and osamu followed shortly after, cumming inside of him.
