#miyacest Omega Atsumu (26) parading around Osamu (16) when he presents as an alpha. Nudging his nose against Osamus scent gland when they hug. Rutting against his pillow during his pre heat. And leaving Osamu's game uniform in a pile on the bed, all damp with his sticky slick.

He wants so badly to present for the alpha, /his/ alpha. Wants to take his knot and carry his pups. Oh he loves his baby bro so much
