Atsumu was obsessed with Sakusa's belly. The way it hung slightly over his pants, the little pouch being so soft as he kissed and bit it. The stretch marks on his hips and thighs drove Atsumu wild. Sometimes he'd spend hours worshipping them as his cock leaked in his

underwear.

Sakusa was always embarrassed at first, cheeks lighting up. Eyes shuttering.

But then he would see Atsumu's glazed eyes, his open mouthed panting. The wet patch in his sweats.

After that, he let himself be revered. Praised.

He never tried to hide them again.
